

Report on the activities of Division 5 in 2008

- A. The Division has organized the symposium entitled “Industrial Electrolysis: State of the Art and Innovation in Electrode Materials and Processes” at the 2008 Seville ISE Meeting and has undertaken the organization a symposium entitled “Electrochemical Engineering and Technology” at the 2009 Beijing ISE Meeting (Profs. Achille de Batisti, Christos Comninellis).
- B. Division 5 has sponsored or agreed to sponsor the following conferences:
1. **The 8th European Symposium on Electrochemical Engineering** organized by Professor K. Bouzet in Prague on August 2008.
 2. **The FDFC 2008 (Fundamentals and Developments of Fuel Cells)** organized by Professor Francois Lapicque in Nancy on 10-12 December 2008.
 3. **The EPOCAP 2008, the 2nd international conference on electrochemical promotion and its applications**, organized by Dr. Philippe Vernoux at Oleron Island, France, in September 29-October 3, 2008.
 4. **The 3rd Asian Conference on Electrochemical Power Sources (ACEPS-3)**, organized by Professor Kwang Kim in Seoul on 10-14 November 2008.
 5. **The 5th European School on Electrochemical Engineering**, organized by Professor Manuel Rodrigo at Ciudad Real (Almagro), Spain on September 6-11 2009.
