Education

2014 PhD in Chemistry, Complutense University of Madrid, Spain
 2011 Master's in Chemical Science and Technology, Complutense University of Madrid, Spain
 2009 Degree in Chemistry (5-year program), Complutense University of Madrid, Spain

Positions

2021 – now Assistant Researcher and Group Leader of the Bioelectrochemistry and Electrobiotechnology Lab, Institute of Chemical and Biological Technology, Nova University Lisbon (Portugal)
 2017 – 2021 Group Leader: Local (photo)bioelectrochemistry, Ruhr University Bochum (Germany)
 2014 – 2017 Postdoctoral Researcher, Faculty of Chemistry and Biochemistry, Ruhr University Bochum (Germany)
 2011 – 2014 PhD Student and Research Fellow, Faculty of Chemistry, Complutense University of Madrid (Spain)

Publications and Scientific Communication

84 articles and 2 book chapters; h = 31, 2665 citations (Scopus) / h = 34, 3392 citations (Google Scholar) – as of September 2026. Since 2013, participation in international conferences with more than 40 oral presentations (9 invited, 5 keynote).

Fellowships, Awards, and Honors

2023 – 2025 Ambassador and Young Leader Fellow of the Alliance of European Universities EUTOPIA
 2019 Electrochimica Acta travel award for young electrochemists
 2016 Analytical Methods poster prize at the 16th International Conference on Electroanalysis
 2015 Outstanding PhD award by the Complutense University of Madrid
 2011 PhD Fellowship Granted by the Spanish Ministry of Education
 2009 Award for Excellence in Academic Career by the Complutense University of Madrid

Institutional and Scientific Responsibilities

2026 – now Member of the Editorial Advisory Board of the journal *ChemElectroChem*
 2025 – now Member of the Editorial Advisory Board of the journal *Bioelectrochemistry*
 2025 – 2026 Vice-Chair of Division 2 (Bioelectrochemistry) of the International Society of Electrochemistry (ISE)
 2024 – now Member of the Executive Committee of the Research Unit MOSTMICRO-ITQB
 2024 – now Member of the Scientific Commission for Science Outreach Activities at ITQB NOVA

Organization of Scientific Meetings

2026 77th Annual Meeting of the International Society of Electrochemistry, 6-11 September 2026, Sydney, Australia; Co-organizer of Symposium 2: "Electrochemical biosensors: The new world technology"
 2026 20th International Conference on Electroanalysis (ESEAC), 7-11 June 2026. Lisbon, Portugal; Conference Chair
