

## Report on ISE sponsored 2025 Annual Meeting of Danish Electrochemical Society (DEF 2025)

DEF2025 was held on 6-7 November 2025 at Technical University of Denmark, Lyngby, Denmark. This was organized by the board of the Danish Electrochemical Society (DEF), consisting of Chairman Huichao Bi, Vice chairman Ming Chen, Treasurer Xinxin Xiao, Yang Hu, Heine Anton Hansen, Jonathan Quinson, Sune Veltzé.

This year's programme covered a broad range of aspects of electrochemistry. There were finally 38 attendees from Danish based research institutions. There were 16 oral presentation contributions, 8 poster presentation contributions. Moreover, 4 invited oral presentations were given by: Prof. Emeritus Tim Burstein (University of Cambridge, UK), Prof. Francesco Ciucci (University of Bayreuth, Germany), Prof. Kim Daasbjerg (Aarhus University), and Prof. Johan Hjelm (DTU Energy).

The ISE sponsorship was used as the award for best student presentations.
