

Report on WEEM-2026_project

Name of the meeting:

International Workshop on Electrochemistry of Electrochemically-active Materials (WEEM-2026)

Meeting venue: Bellamonte, Italy

Meeting dates: May 24-29, 2026

Conference website: <https://www.weem2026.it/>

Total number of participants: 52 representing 18 countries (12 European + 6 non-European ones)

Number of oral presentations: 38

Number of posters: 20

List of keynote lecturers:

Lital Alfonta (Israel), Doron Aurbach (Israel), Oleg Levin (Russia), Daniel Mandler (Israel), Vladimir Mirsky (Germany), Hubert Perrot (France), Laurent Ruhlmann (France), Theresa Schoetz (USA), Martin Sjodin (Sweden), Magdalena Skompska (Poland), Mikhail Vorotyntsev (France/Russia)

Expected future events:

VSI of Electrochimica Acta (EEM-2027), to be published in 2027

Next WEEM meeting: preliminary expected in 2028 or 2029

Sponsorship of the ISE for the WEEM-2026 (1000 euros)
